

## REMARKS

The Amendment has been proposed for part of Paragraph 16 wherein the existing material did not make sense. This language has now been deleted.

Regarding the Claims, these amendments have been made to clarify the claims and to arrange for the proper antecedents. It is submitted that these claims, as amended, now place the application in condition for allowance.

Please feel free to call the undersigned if there are any questions in regard to this application.

Respectfully submitted,
